

John Moraros

Abbreviated
Curriculum Vitae & Publications

2021

PROFESSIONAL PROFILE

Dynamic, innovative and visionary leader, who strives to support higher education institutions and their administrators, faculty, community key stakeholders, and industry partners in meeting employees' goals and students' learning outcomes by promoting a culture of intellectual agility and problem-solving resourcefulness and creating an atmosphere of mutual respect and open communication. Recognized ability to quickly generate trust, develop rapport and produce excellent results; Well versed in building vibrant face-to-face and virtual learning communities; Experienced with a range of audio/visual and web-based learning tools and technologies that support interaction, communication, and collaboration; Accomplished international caliber scholar/researcher, who led research teams to great success in funded grant writing and manuscript publications; Adept at making clear and informed decisions; Experienced academic administrator, who excels at strategic planning, by engaging in a collaborative process of establishing priorities, distributing responsibilities, using benchmarking, providing quality assurance, meeting/exceeding milestones, and has the ability to handle conflict resolution cases and confidential information appropriately; Exercises tact, sound judgment, diplomacy, and discretion. Expert at driving curriculum development, managing large budgets and undertaking program (talented faculty and students) recruitment/retention efforts. Skilled and knowledgeable in higher education accreditation criteria (North America, Middle East and European Standards) with a proven track record of leading numerous and diverse discipline teams in attaining (re)-accreditation as appropriate.

EDUCATION

Ph.D., New Mexico State University, Molecular Biology Program, Honours, 2007

M.P.H., New Mexico State University, Department of Health Science, Honours, 2004

M.D., Universidad Autónoma de Ciudad Juárez, Facultad de Medicina, Honours, 2002

B.A., Queens College, Biology & Interdisciplinary Studies, Honours, 1991

CERTIFICATIONS

IEM., Harvard University, Executive Leadership in Higher Education, Graduate, 2019

AREAS OF SPECIALIZATION

DISCIPLINES TRAINED IN:

Leadership in Higher Education, Preventive Medicine, Social Epidemiology, Community Health, Medical and Health Sciences

RESEARCH DISCIPLINES:

Preventive and Community Medicine, Public/Population Health, Nursing, Epidemiology, Healthcare Systems

AREAS OF RESEARCH:

Community/Public Health, Health Disparities Inequities and Inequalities, Social Determinants of Health, Minority and Marginalized Populations Health

FIELDS OF APPLICATION:

Medicine, Nursing, Public Health and Health Sciences

**RECENT ADMINISTRATIVE EXPERIENCE
(2010-Present)**

**SCHOOL OF HEALTH SCIENCES, COLLEGE OF THE NORTH ATLANTIC
DOHA, QATAR**

POSITIONS**✓ Dean and Professor, School of Health Sciences (2020-Present)**

The Dean is the Chief Executive Officer responsible for supporting the vision, mission and strategic plan of the College, and for providing academic leadership in teaching, scholarly and service activities to the School. The Dean also promotes and encourages documented excellence among the School's faculty, staff, students, and curricula. The Associate Dean, three (3) Department Chairs, two (2) Clinical Coordinators, one (1) Research Coordinator, one (1) Graduate Studies Coordinator, one (1) CPE/CPD Coordinator, nine (9) Program Leads and six (6) administrative support staff all report directly to the Dean. The Dean also has oversight over 49 full-time and 36 part-time faculty members with content expertise in diverse health science disciplines. Charged with overseeing eight (8) existing diplomas and developing innovative academic programming with eleven (11) applied bachelor's, four (4) applied master's and one (1) professional doctorate degrees for the School. Lead the efforts in developing applied bachelor's, master's and professional doctoral degrees and transitioning the College into a national University to help meet both the country and industry needs.

✓ Essential Duties and Responsibilities:

- Led efforts in developing eleven (11) different, innovative applied bachelor's degrees (Completed 7: Medical Radiography, Advanced Care Paramedicine, Respiratory Therapy, Dental Hygiene, Pharmacy Technology, Occupational Health and Safety and Environmental Health; In Progress 4: Nursing; Midwifery; Health Promotion and Medical Laboratory Sciences); four (4) applied master's degrees (Completed 2: Diabetes Care and Patient Education and Critical Care Paramedicine; In Progress 2: Leadership in Healthcare Administration and Medical Imaging); and one (1) Professional Doctorate degree (In Progress: Doctorate of Optometry)
- Spearheaded the initiative to have all of the completed and newly launched academic programs accredited by the national Qatar Council of Healthcare Professionals and the internationally-renown Accreditation Canada
- Generated >11 million QAR in contract training to upskill the healthcare practitioners working at Sidra hospital, Al Ahli hospital, Qatar Red Crescent, Hamada Medical Corporation (HMC) and Primary Health Care Centers (PHCC)
- Established a research agenda for the School that led to seven (7) successfully funded grants and nine (9) peer reviewed publications in highly respected journals

- Prepared six (6) articulation and affiliation agreements (MOUs) with community partners and other Universities/Colleges to provide credit and transfer recognition of courses and clinical/work placement opportunities for our students
- Led daily academic, research and student affairs operations of the School, including initiatives on student progression, workforce development and continuing education plans that meet the School's and College's needs and serve our students, industry and community
- Engaged with the Offices of Student Affairs and Marketing and Communications in activities focused on student recruitment, advising, registration, retention, graduation, and other promotional activities leading to 5x fold increase in the student intake for the School over two years
- Established a virtual simulation lab and worked with the Office of Program Development and Quality Assurance on program evaluation and curriculum development and the Office of Continuing Education on creating innovative programs that serve the industry and various sectors of the state of Qatar
- Collaborated with the President, Provost, other Deans and Senior Managers in the planning and development of instructional strategic plans that considered student, fiscal, human resources, technology, infrastructure/facilities, and corporate services in line with the Qatar Vision 2030
- Served on National Committees assigned by the Minister of Education and Higher Education and Minister of Public Health in the state of Qatar on developing academic/educational and workforce strategies for the country
- Represented the School and College to the educational and broader community, promoted positive relationships and open communication with all constituencies, built and strengthened cooperative partnerships with other Schools/Universities and key industries to provide hands-on opportunities for our students, and develop positive relations with these institutions

**FACULTY OF HEALTH STUDIES, BRANDON UNIVERSITY
BRANDON, MANITOBA, CANADA**

POSITIONS

- ✓ **Dean and Professor, Faculty of Health Studies (2019-2020)**
- ✓ Director (Administrative), Centre for Critical Studies in Rural Mental Health (2019-2020)

The Dean is the Chief Academic Officer and administrative leader of the Faculty of Health Studies and Director (Administrative) of the Centre for Critical Studies in Rural Mental Health. The Dean serves as a key member of the University leadership team, reports directly to the Provost and VP Academic and is responsible for establishing the strategic vision and goals of the Faculty. Additionally, the Dean provides ultimate administrative oversight for all aspects within the Faculty (59 full-time and 74 part time members), including fiscal management, personnel decisions, professional development, academic programs, research/scholarship endeavours and student enrollment (> 1,500 in two campuses at Brandon and Winnipeg). The Dean also has primary responsibilities for external initiatives that include community engagement and fundraising.

✓ **Essential Duties and Responsibilities:**

- Led efforts in revising/updating two (2) existing bachelor's degrees (in-person and online Nursing and Psychiatric Nursing) and one (1) masters degree (online Psychiatric Nursing) and developing two (2) additional innovative bachelor's of science degrees (Health Sciences in Indigenous Studies and Healthcare Administration)
- Provided oversight in securing provincial/state reaccreditation of the Nursing and Psychiatric Nursing degrees (CRNM - College of the Registered Nurses of Manitoba and CRPNM - College of the Registered Psychiatric Nurses of Manitoba, respectively) and pursued national accreditation for the Nursing program (CASN - Canadian Association of Schools of Nursing)
- Participated in seminars/workshops that made me knowledgeable and skilled in the criteria for accreditation of nursing programs by The Accreditation Commission for Education in Nursing (ACEN) and the Commission on Collegiate Nursing Education (CCNE)
- Administratively responsible for the fiduciary use of an annual budget of >20 million CAD to help support the activities of the Faculty
- Secured >5 million CAD in research funding over a two year period in support of the Centre for Critical Studies in Rural Mental Health
- Established a research agenda for the Faculty that led to fourteen (14) successfully funded grants and ten (10) peer reviewed publications in highly respected journals
- Prepared nine (9) national and international articulation and affiliation agreements (MOUs) with community partners and other Universities to provide credit and transfer recognition of courses and clinical/work placement opportunities for our students
- Promoted excellence in learning-centered teaching, and promoted faculty engagement in scholarly activities while providing opportunities for professional development to faculty and staff
- Articulated and communicated the new University vision, mission and strategic plan to constituencies and stakeholders, and lead implementation
- Consulted and collaborated with Associate Deans, Chairpersons, and faculty/staff of Departments within the Faculty in conducting collegial processes and joint decision making
- Evaluated the performance of faculty and staff, and made recommendations to the VP Academic and President
- Advised the Provost and VP Academic and President on all matters related to the Faculty
- Lead the development on a policy for access to students with disabilities, as well as overall student success and retention in the programs of the Faculty and presented candidates for degrees at commencement

**SCHOOL OF PUBLIC HEALTH, UNIVERSITY OF SASKATCHEWAN
SASKATOON, SASKATCHEWAN, CANADA**

POSITIONS

- ✓ **Acting Dean, School of Public Health (2014-2015)**
- ✓ **Director, MPH Program (2009-2013)**
- ✓ Director, iCAN Research Group (2010-2019)
- ✓ Director, Research (2013-2014)
- ✓ Associate Professor, Tenured, Epidemiology & Health Disparities(2014-2019)
- ✓ Assistant Professor, Tenure Track, Epidemiology & Health Disparities (2009-2014)
- ✓ Faculty Member, College of Graduate Studies and Research(2009-2019)

Responsible to provide strategic leadership for the design and implementation of the Graduate Programs in the School of Public Health, including the Master of Public Health (in-person and online), PhD in Public Health Sciences, PhD in Epidemiology and PhD in Environmental Health. Lead faculty and was in charge of liaising with the College of Medicine to establish the Problem Based Learning (PBL) medical curriculum and the Public Health and Preventative Medicine Residency. Collaborate with the Administrative team, faculty, and staff and provide strategic leadership in planning, developing, and implementing academic programs, staffing of human resources, recruiting students and overseeing curriculum development to ensure programs remained accredited and at the forefront of cutting-edge graduate public health education and scholarly outputs.

✓ **Essential Duties and Responsibilities:**

- Facilitated the development of course schedules conducive to student enrollment and developed and managed the program budget consistent with School and University policy and sound financial management principles
- Identified and prioritized School needs, secured available funding, and strategically allocated and re-allocated resources and facilitated data-driven analysis of information regarding curriculum related matters and program review processes in a timely manner to meet the needs of the School and University financial office
- Conferred with faculty regarding ideas for medical and public health program improvement to find resources for development through grants and special projects and interviewed and participated in selecting employees; orient, train, supervise, develop, evaluate, mentor, counsel, discipline and terminate personally, according to established policies and procedures
- Facilitated assignment of faculty to classes, and monitored schedules and workloads for accuracy throughout the semester and worked with faculty and staff to assess students and continuously monitor their progress for success and communicated with key private and public sectors to determine the needs for new courses and programs by establishing advisory committees as appropriate
- Ensured compliance with School and University policy to resolve student issues and assist faculty and staff to refer issues (student behavior, grade changes, etc.) to appropriate departments
- Participated in department, school, and university-wide committees and displayed a commitment to my discipline by providing leadership and participation in appropriate national and international professional associations and organizations

**UNIVERSITY OF SASKATCHEWAN FACULTY ASSOCIATION (USFA)
SASKATOON, SASKATCHEWAN, CANADA**

POSITIONS

- ✓ **Executive, Committee Member (2011-2019)**
- ✓ Secretary, Committee Member (2015-2016)
- ✓ Chair, National Academic Freedom Event (2013-2016)
- ✓ Chair, Member Development Committee (2012-2015)
- ✓ Chair, Elections Committee (2014-2016)

**CANADIAN SOCIETY FOR EPIDEMIOLOGY AND BIostatISTICS (CSEB)
TORONTO, OTTAWA, CANADA**

POSITIONS

- ✓ **Board of Directors, Member (2012-2018)**
- ✓ Chair, National Conference (2012)
- ✓ International Representative (secondary), International Joint Policy Committee of the Societies of Epidemiology (IJPC-SE) (2013-2019)

PREVIOUS ACADEMIC & ADMINISTRATIVE EXPERIENCE

POSITIONS

- ✓ Senior Research Affiliate, Public Health Division, Fred Hutchinson Cancer Research Center, Seattle, WA, USA, 2006-Present
- ✓ Graduate School Faculty Member, Graduate School, New Mexico State University, Las Cruces, NM, USA, 2006-2008
- ✓ Assistant Professor, Department of Health Science, New Mexico State University, Las Cruces, NM, USA, 2007-2008
- ✓ PhD Graduate Research Fellowship, National Cancer Institute, Public Health & Oncology, Fred Hutchinson Cancer Research Center, Seattle, WA, USA, 2005-2007
- ✓ Chief Medical Officer/Nutrition Coordinator, Universidad Autonoma de Ciudad Juárez, Clinica Comunitaria B, Juárez, Mexico, 2003-2004
- ✓ Post-Doctoral Internship, Medical, Internal Medicine, Seguro Social # 6, Juárez, Mexico, 2002-2004
- ✓ Post-Doctoral Internship, Medical, Community Medicine, Texas Tech, El Paso Medical Center, El Paso, TX, USA, 2002
- ✓ Chief Medical Intern, Cruz Roja (Red Cross), Juárez, Mexico, 2002
- ✓ Immunization Campaign Supervisor, Universidad Autonoma de Ciudad Juárez Distrito Medico # 6, Juárez, Mexico, 2002

TEACHING EXPERIENCE (2010-2018)

GRADUATE-LEVEL TEACHING

- ✓ Designed and singly taught four advanced Epidemiology graduate level courses:
 - PUBH 800.3 – Epidemiology for Public Health;
 - PUBH 832.3 – Infectious Disease Epidemiology;
 - PUBH 844.3 – Chronic Disease Epidemiology, and
 - PUBH 845.3 – Clinical Epidemiology

- ✓ Designed and singly taught three advanced Aboriginal Health/Health Disparities graduate level courses.

- ✓ Designed and implemented novel methods in graduate teaching:
 - “Flipped Classroom” and
 - “Applied Learning Concept”

- ✓ Co-Instructor or Guest Lecturer for four core required graduate level courses:
 - PUBH 803.3 – Health Promotion,
 - PUBH 804.3 – Foundations of Public Health,
 - PUBH 806.3 – Public Health Pathobiology, and
 - PUBH 810.3 – Environmental Public Health

- ✓ Faculty Coordinator for two years in the core required graduate level course:
 - PUBH 990.0 – Public Health Seminar

- ✓ Faculty Co-Coordinator for two years in the core required graduate level course:
 - PUBH 992.6 – Public Health Practicum

ACADEMIC ADVISING

- ✓ Acted as the Academic Advisor for MPH and PhD students

- ✓ Acted as the Practicum Academic Advisor for MPH students

ACADEMIC EXAMINER

- ✓ Served as a Practicum Exit Interview Co-examiner for MPH students

- ✓ Served as a Practicum Poster Fair Judge for MPH students

RESEARCH SUPERVISION

- ✓ Acted as a Research Supervisor for MPH and PhD students

- ✓ Acted as a Practicum Research Supervisor for MPH students

SELECTED SCIENTIFIC PAPERS (2010-2019)

PAPERS PUBLISHED IN REFEREED SCIENTIFIC JOURNALS
