Dear Dr. Carruthers:

The Accreditation Council of the Council for the Accreditation of Educator Preparation (CAEP) met on April 30, 2018 and I am pleased to inform you that the following accreditation status has been granted:

The College of Education at New Mexico State University is granted **Accreditation** at the initial-licensure level with areas for improvement (AFIs).

At the April meeting the Accreditation Council also approved a six-month extension for advanced-level programs accredited by NCATE pending consultation with the Board of Directors regarding procedures for advanced-level program reviews.

Included with this letter are two subsequent documents:

- 1) The Action Report provides details of the accreditation status.
- 2) Information for EPPs Granted Accreditation provides further information on the Council's decision process and provider responsibilities during the accreditation term.

Congratulations on your accreditation achievement. I appreciate your commitment to excellence in educator preparation accreditation.

Sincerely yours,

Christopher A. Koch, Ed.D.  
President
